Deep in haunted old Orleans, jazz has given way to the cries of vampires. Here, the undead prowl the night, hungry for blood and eager to claim the living as fleeting echoes in their eternal song.
- Oddities Circus Of Madness**
A traveling circus visits with its strange curiosities. Vaudeville performers attack as a barker lures you closer to your doom.
- Henchmen Alley**
Disfigured and deranged, these ghouls lurk in the shadows, tracking your every move. Their grotesque faces twist into mocking grins as they prepare to pounce from the darkness. Beware, no alley is safe.
- Forbidden Forest**
*presented by SNICKERS**
Once a thriving lumber camp, now an accursed woodland haunted by vengeful loggers. Their restless spirits await any who dare to trespass among their twisted, gnarled trees.
- Head Bangerz**
An unruly gang of sliders overrun the streets, seeking anarchy and chaos. Their wild energy and razor-sharp moves carve fear into the hearts of all who cross their path.
- Underworld**
The world above has fallen. Survivors have fused with machine to become ruthless hybrid hunters in a molten hellscape.
- Los Muertos**
Join in this vibrant celebration that honors life and memory, emphasizing reunion and joy rather than fear. It's a time to cherish the connections that transcend time, where love and remembrance take center stage in a colorful, uplifting tradition.

Tonight, you're not just observing their cases; you've become part of them. **6:30pm**
- Texas Chainsaw Massacre**
