## FRIGHT ZONES – Free Attraction

### Geared to Teens & Adults

- ☞ **NEW! Anarchy Unleashed...Survive the Night!:** This evil gang shares a common identity; they've all escaped from the nearby Hell Block 6 Maximum Security Prison. Now they're on a mission to terrorize society for sentencing them to life. Beware of their ruthless gatherings as some have developed a unique way to slide into your life...FOREVER! *Located in the GOTHAM CITY Section.*
- ☞ **NEW! Squeal...Long Pig:** When you hear a violent squeal...beware! It could be the half human, half swine who capture humans to dine upon. It's not a delicacy, well not for most...you see "Long Pig" is a culinary term that means human flesh that's intended for consumption. This ritual of capturing humans has gone on for more than 100 years, with Halloween being the traditional time that the "cannibal elite" feast...on YOU! *Located in the Texas Section.*
- ☞ **NEW! The Witching Hour:** Also known as "The Devils Hour," this sinister gathering happens every night 30 minutes prior to the park closing and is the most active time for the dead. Watch your step, because these horrid beasts will be roaming the front of the park, looking for easy prey and fresh flesh. *Located in USA and Mexico Sections.*
- ☞ **Voodoo Swamp:** The original zombie myth came to life in the swamps and bayous of New Orleans decades ago. Despite the naysayers, the myth persisted. Now, the spirits have concentrated their haunting efforts in our Caddo Lake Barge area and they have no plans to leave their new home. *Located in the Boardwalk.*
- ☞ **Freaktown Side Show:** One a thriving traveling circus, these deranged performers quickly lost their reputation when jealousy led to unfortunate "eliminations" within their ranks. Today, outsiders who dare to enter the Big Top do so at their own risk. *Located in the USA Section.*
