***Please Note:**

Six Flags reserves the right to monitor content of performances and terminate a performance for any inappropriate conduct on the day-of, or at any time during the performance. Certain black out dates apply. Dates subject to change without notice. Six Flags will attempt to assist with special equipment needs, but may not be able to accommodate all requests. Groups cannot store equipment at any Six Flags venue and must have a representative with items at all times. Changing areas are not available. If changing areas are needed, groups can use one of our public restrooms. Performances will be taking place in an outdoor venue; please plan for weather accordingly. All guests including performers and spectators will need a Six Flags St. Louis admission ticket in order to enter the park. Only Marching Groups allowed for performance during the month of October. Tickets must be purchased at least 14 days prior to performance.
