Updated and Valid as of February 26, 2018. Most benefits may be used at any Six Flags branded theme park or Hurricane Harbor that participate in the Membership program, subject to availability. Some benefits are only available at theme parks, while others are only available at waterparks. Check the online Member Services portal for the definitive rules and restrictions associated with each benefit. Discounts and benefits may not be combined with any other discounts or benefits. Some benefits may be limited by park, ride, or restaurant capacity. Some benefits have limited quantities or require reservations. Some benefits must be redeemed online prior to park visit. Some benefits may be available in limited quantity, in which case they will be provided on a first-come, first-served basis. Benefit packages are subject to change at any time, without notice. If a benefit is removed we will always endeavor to replace it with something of comparable value. One-time benefits are "replenished" at the beginning of each calendar year (unless, of course, the benefit is removed entirely). *Although Members may use their benefits at any Six Flags park they visit, some benefits are not available at every park (especially waterparks). Prices shown for Memberships include security deposit and prices vary based on the number of Season Passes or Memberships you purchase. IMPORTANT: Please see our Pass Holder Terms & Conditions and Membership Agreement for full details.
